# MATERIAL ROMANCE

El alma de los rayos de luz. La belleza intangible en el aire, que contagia lugares y personas creando una sinergia de emociones, uniendo espacios y mentes en un instante, en una mirada. Un romance de cuerpo, espacio y luz.

The soul of light rays. Their intangible beauty in the air that pervades people and places, creating a synergy of emotions, joining spaces and minds in a moment, in a glance. A romance of shape, space and light.

L'anima del raggio di luce. La bellezza intangibile nell'aria, che contagia spazi e persone creando una sinergia emozionale, unendo spazio e mente in un unico respiro. Corpo, spazio, luce.

Die Seele des Lichtstrahls die ungreifbare, luftige Schönheit die Orte und Menschen berührt und dabei eine Synergie der Emotionen schafft indem sie Raum und Geist einem einzigen Atemzug umfasst. Eine Romanze zwischen Körper, Raum und Licht.

L'âme des rayons de lumière. La beauté intangible dans l'air, qui contagie les endroits et les personnes en créant une synergie d'émotions, en unissant les espaces et les esprits en un instant, en un regard. Un roman de corps, espace et lumière.

# TASTE OF ESSENCES

Quedarnos con lo esencial y recuperar lo mejor de la tradición para expresar la belleza, el equilibrio y la armonía. Materiales nobles que moldean la luz y juegan con las emociones del espectador, sumergiéndole en un ambiente cálido e íntimo.

Back to essentials and taking the best of tradition to express the beauty, the peace, the balance, the harmony. Fine materials seizing the light, playing with the spectators emotions and making him to feel at home, in a new intimate, welcoming, warm and cozy world. A world with essence.

# REFLECTIONS

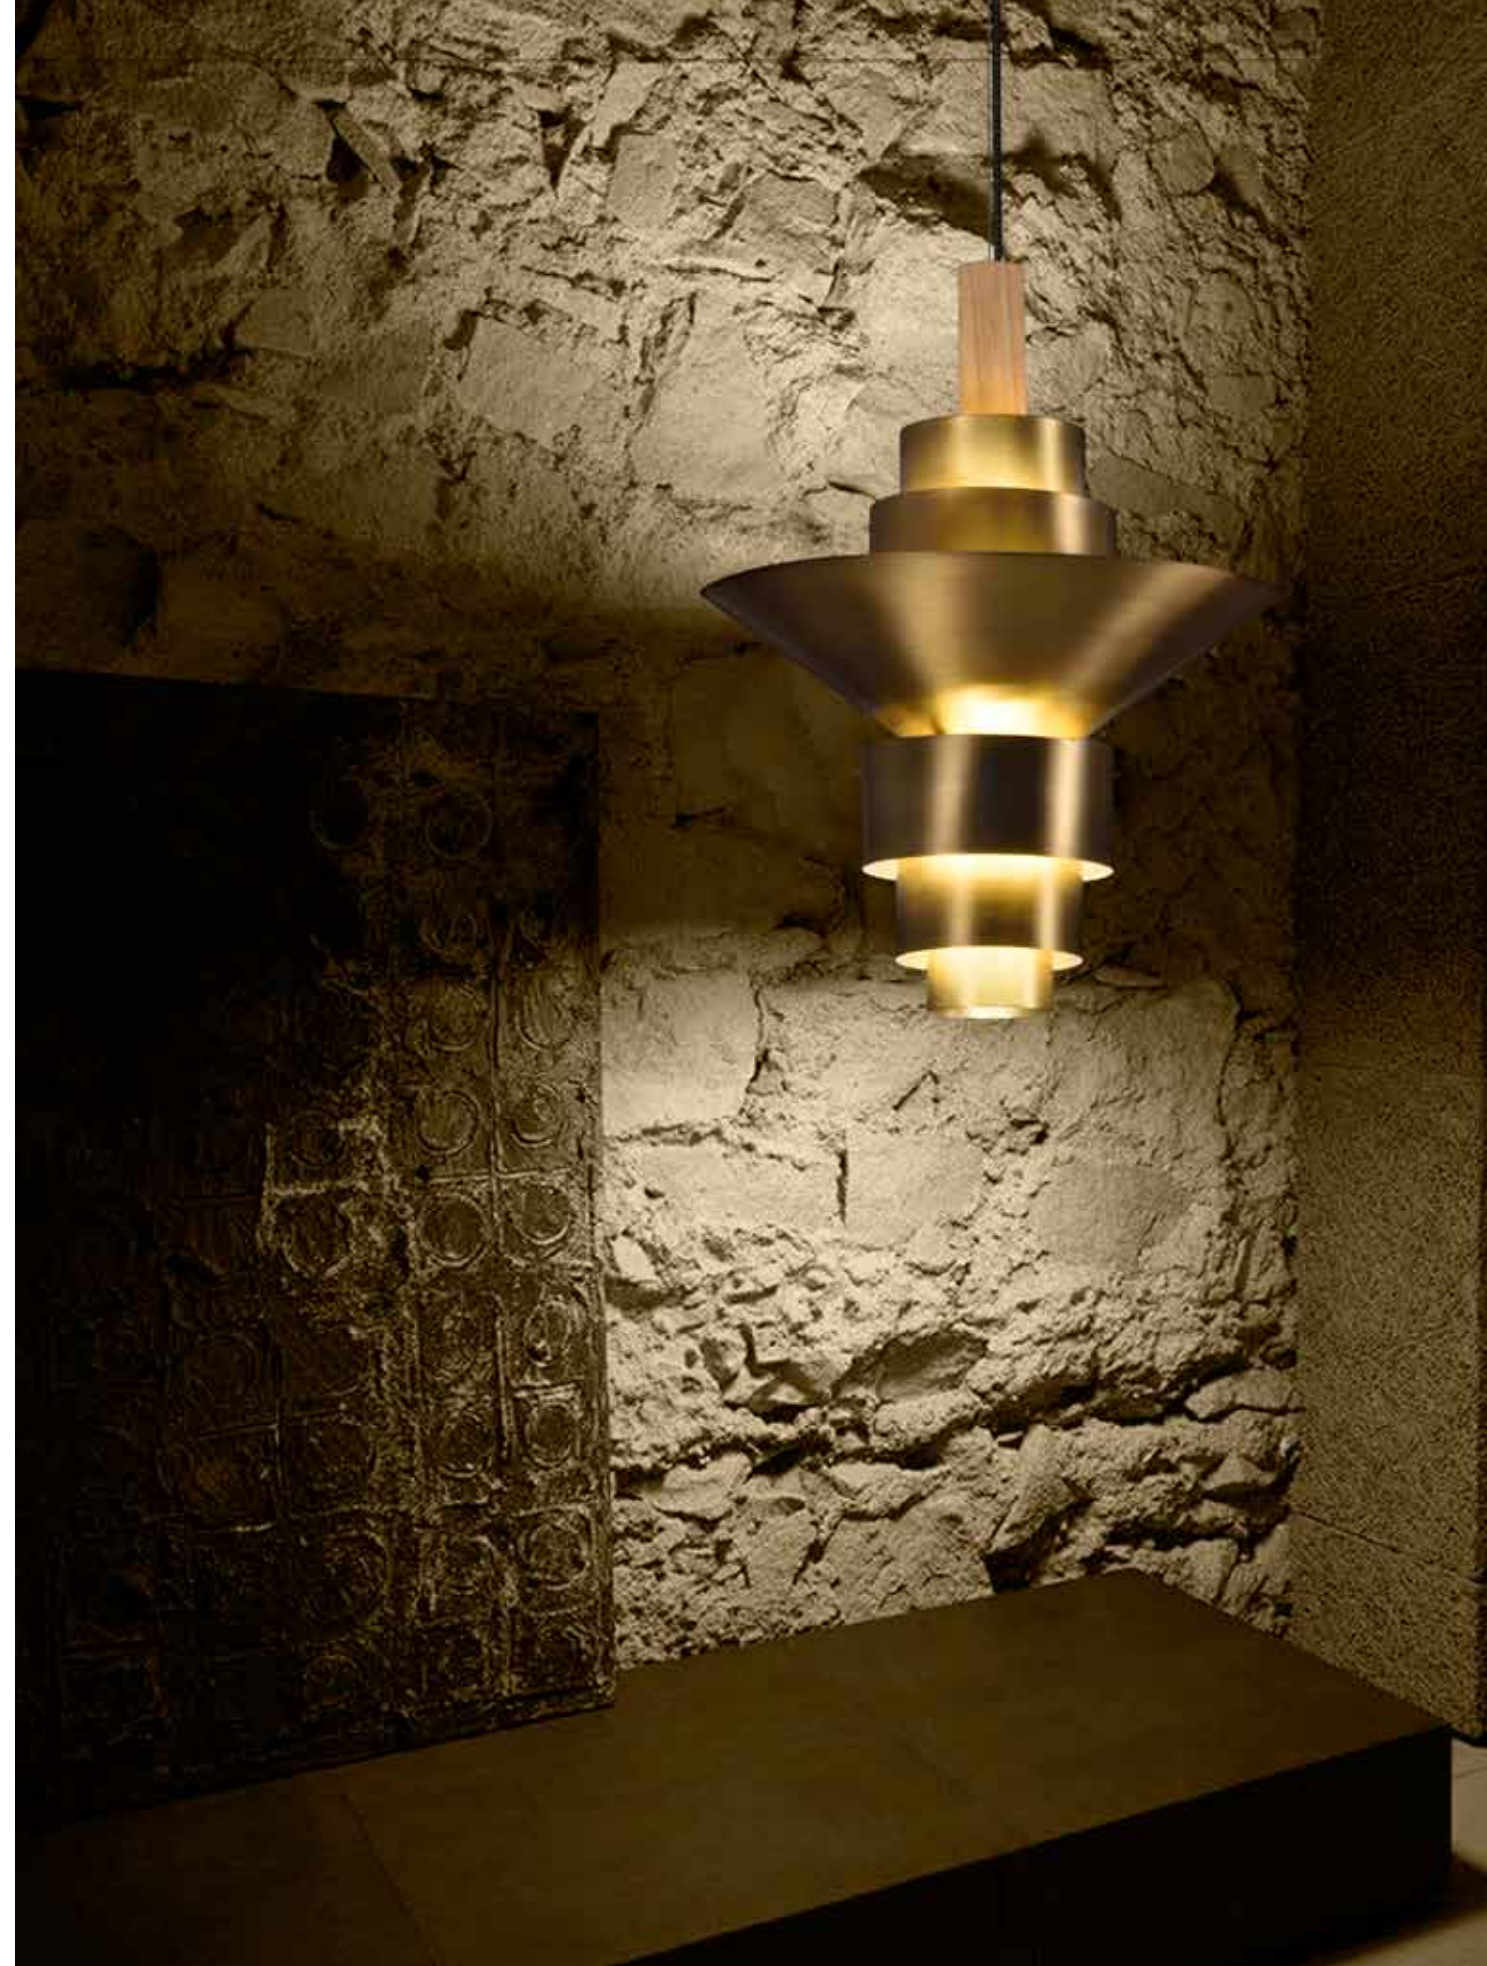

design  
García Cumini  
2016

Conjunto de colgantes de distintos tamaños y aplique de pared, compuestos por varias piezas de latón repujados, decorados en Latón y Pewter, combinados con un cilindro de madera natural de fresno. La fuente de luz es placa de led cálida integrada la cual produce una reflexión muy especial sobre las piezas metálicas y sobre la madera.

Set of pendants in various sizes, and wall lamp, composed of several brass pieces decorated in brass and pewter, combined with a natural ash tree wood cylinder. The light source is integrated LED warm plate which produces a very special reflection on metal and wood pieces.

# DRESS

design  
Jehs + Laub  
2007

Lámpara de pie, mesa , suspensión y aplique de pared compuesta por una cinta de raso que envuelve una delicada estructura metálica negra. En los colores blanco , rojo,turquesa,marfil o negro Dress es un vestido dinámico que expresa densidad y transparencia. La personalidad elegante de un vestido de luz.

Floor lamp, table lamp, pendant fixtures and wall sconces are composed by a delicate metallic structure hand-wrapped with a satin ribbon. Available in white, red, turquoise, ivory and black . Dress is a dynamic garment that expresses both solidity and transparency, the elegant personality of a garment dressed in light.

Vicent Aleixandre

2016

Conjunto de colgantes que evocan a los imperios de antaño, con aros de latón y placas de alabastro blanco. La fuente de luz es una placa de led con su difusor opal de acrílico.

Set of pendants which evokes old empires, with brass rings and white alabaster plates. The light source is a plate led with opal diffuser in acrylic material.

# PLIÉ

design  
**Vitale**  
2013

Plié es una lámpara de sobremesa de carácter marcadamente arquitectónico, se trata de una luminaria cuya estructura se conforma mediante una única pieza, a partir del desarrollo de una chapa metálica, ésta se va plegando y doblando hasta conseguir definir una geometría de proporción rectangular. El resultado llama la atención por su simplicidad y su característica asimetría que la convierte en una pieza elegante y sobria. Decorada en Blanco, Negro, Latón, Bronce o Pewter y con placa L.E.D. integrada.

PLIÉ, Table lamp with a strong architectural personality. It is an structure which is formed by a single part, created from the development of the metal. This piece is turned itself till there is a proportional and geometrical form. The result is a simple and asymmetrical fixture with an elegant and sober image. Decorated in White, Black, Bronze, Brass and Pewter. LED bulb.

# SWING

design  
Nicola Nerboni  
2006

Lámpara a suspensión regulable en altura a través de un contrapeso metálico acabado en cromo negro o pintado blanco brillante. Compuesta por hilos en tejido de algodón blanco, negro intenso, y también rojo carmín, verde salvia, gris claro, violeta, marrón y blanco cuerda. Imprevisibles juegos de luces y sombras, Swing crea ambientes de glamour e intimidad.

Adjustable height pendant fixture with unique counterweight system available in black chrome or glossy white. The dancing cotton strands are available in black, carmine red, sage green, light grey, violet, brown and flax. Unexpected play of light and shadow, Swing creates spaces that are at once intimate and glamorous.

2013

Lámpara de sobremesa, despacho, lectura etc... inspirada en la clásica sobremesa de lectura de Notarios/abogados de principios de la electricidad y aplique de pared a juego. Producida en metal latón mate Bronce o Pewter y con base de mármol negro Marquina o blanco Carrara. Aloja en el difusor dos bombillas G9 led.

Table lamp to be used at office or reading room. Inspired by the classic desktop reading at notaries or lawyers offices from a past time, when electricity became to our lives. A metal produced in matt brass, Bronze, Pewter and marble, black Marquina or white Carrara. Two bulbs G9 led in diffuser.

Inspirada en las piezas de joyería, hemos creado esta colección compuesta por apliques de pared, decorados en latón combinados con base de mármol o madera de roble. Hemos utilizado la barra de aluminio que hace que podamos girar la pieza para direccionar la luz, con una potente bombilla LED.

Inspired by the pieces of jewelry, we have created this collection composed of wall sconces, decorated in brass and combined with marble or oak base. We have used an aluminum bar which allow us to turn the piece to redirect the light, with a powerful LED bulb.

# HANGING HOOP

design  
Nicola Nerboni  
2008

Plafón con disco difusor en metacrilato negro brillante. Gracias al mecanismo de rotación vertical y horizontal permite la creación de atractivos juegos gráficos a través de formas y luces difuminadas e indirectas. Con personalidad rigurosa y elegante en su esencia. Las partes metálicas son Latón, Pewter, Blanco o Nero texturizado y el disco es de metraquilato. La fuente de luz es placa de led integrada.

Ceiling lamp with diffuser disk in glossy black methacrylate. Thanks to the mechanism of vertical and horizontal rotation it allows the creation of attractive graphics games through shapes as well as soft and indirect light. With rigorous and elegant personality in its essence. The metal parts are made of brass, Pewter or Black and white texturized and the disc is methacrylate. The light source is an integrated LED.

CRAFT LIGHTING HEART

# DISEÑAMOS

nuestras luminarias

partiendo de un concepto desarrollado desde nuestra propia oficina técnica o colaborando con diseñadores de cualquier parte del mundo que entiendan el Mundo Fambuena y que nos enamoren con su proyecto, para al final del proceso y conjuntamente, darle un toque de excelencia al producto.

We design our luminaires based on a concept developed by our technical office and collaborating with designers from worldwide who understands the Fambuena's world and thrill us with their creativity, so in this process we all can give a touch of excellence to the designed product.

**ARTESANÍA** en la  
fabricación de todos nuestros  
productos utilizando materiales  
nobles (Latón, Madera, Mármol,  
Alabastro, Algodón, Raso), con  
procedimientos tradicionales y  
aplicando la última tecnología  
para las fuentes de luz.

**CRAFTSMANSHIP**  
we use noble materials like Brass,  
Wood, Marble, Alabaster, Cotton and  
Satin with our traditional procedures  
and latest technology for light sources.

ENSAMBLAMOS

nuestras  
luminarias de una forma totalmente artesanal,  
haciendo un control de calidad exhaustivo,  
donde cada pieza es tratada como una verdadera  
obra de arte que hará que mejore la vida de  
nuestros clientes.

WE ASSEMBLE our luminaries in a totally  
artisanal, with an exhaustive quality. Each piece  
is treated as a piece of art which will improve  
the lives of our customers.

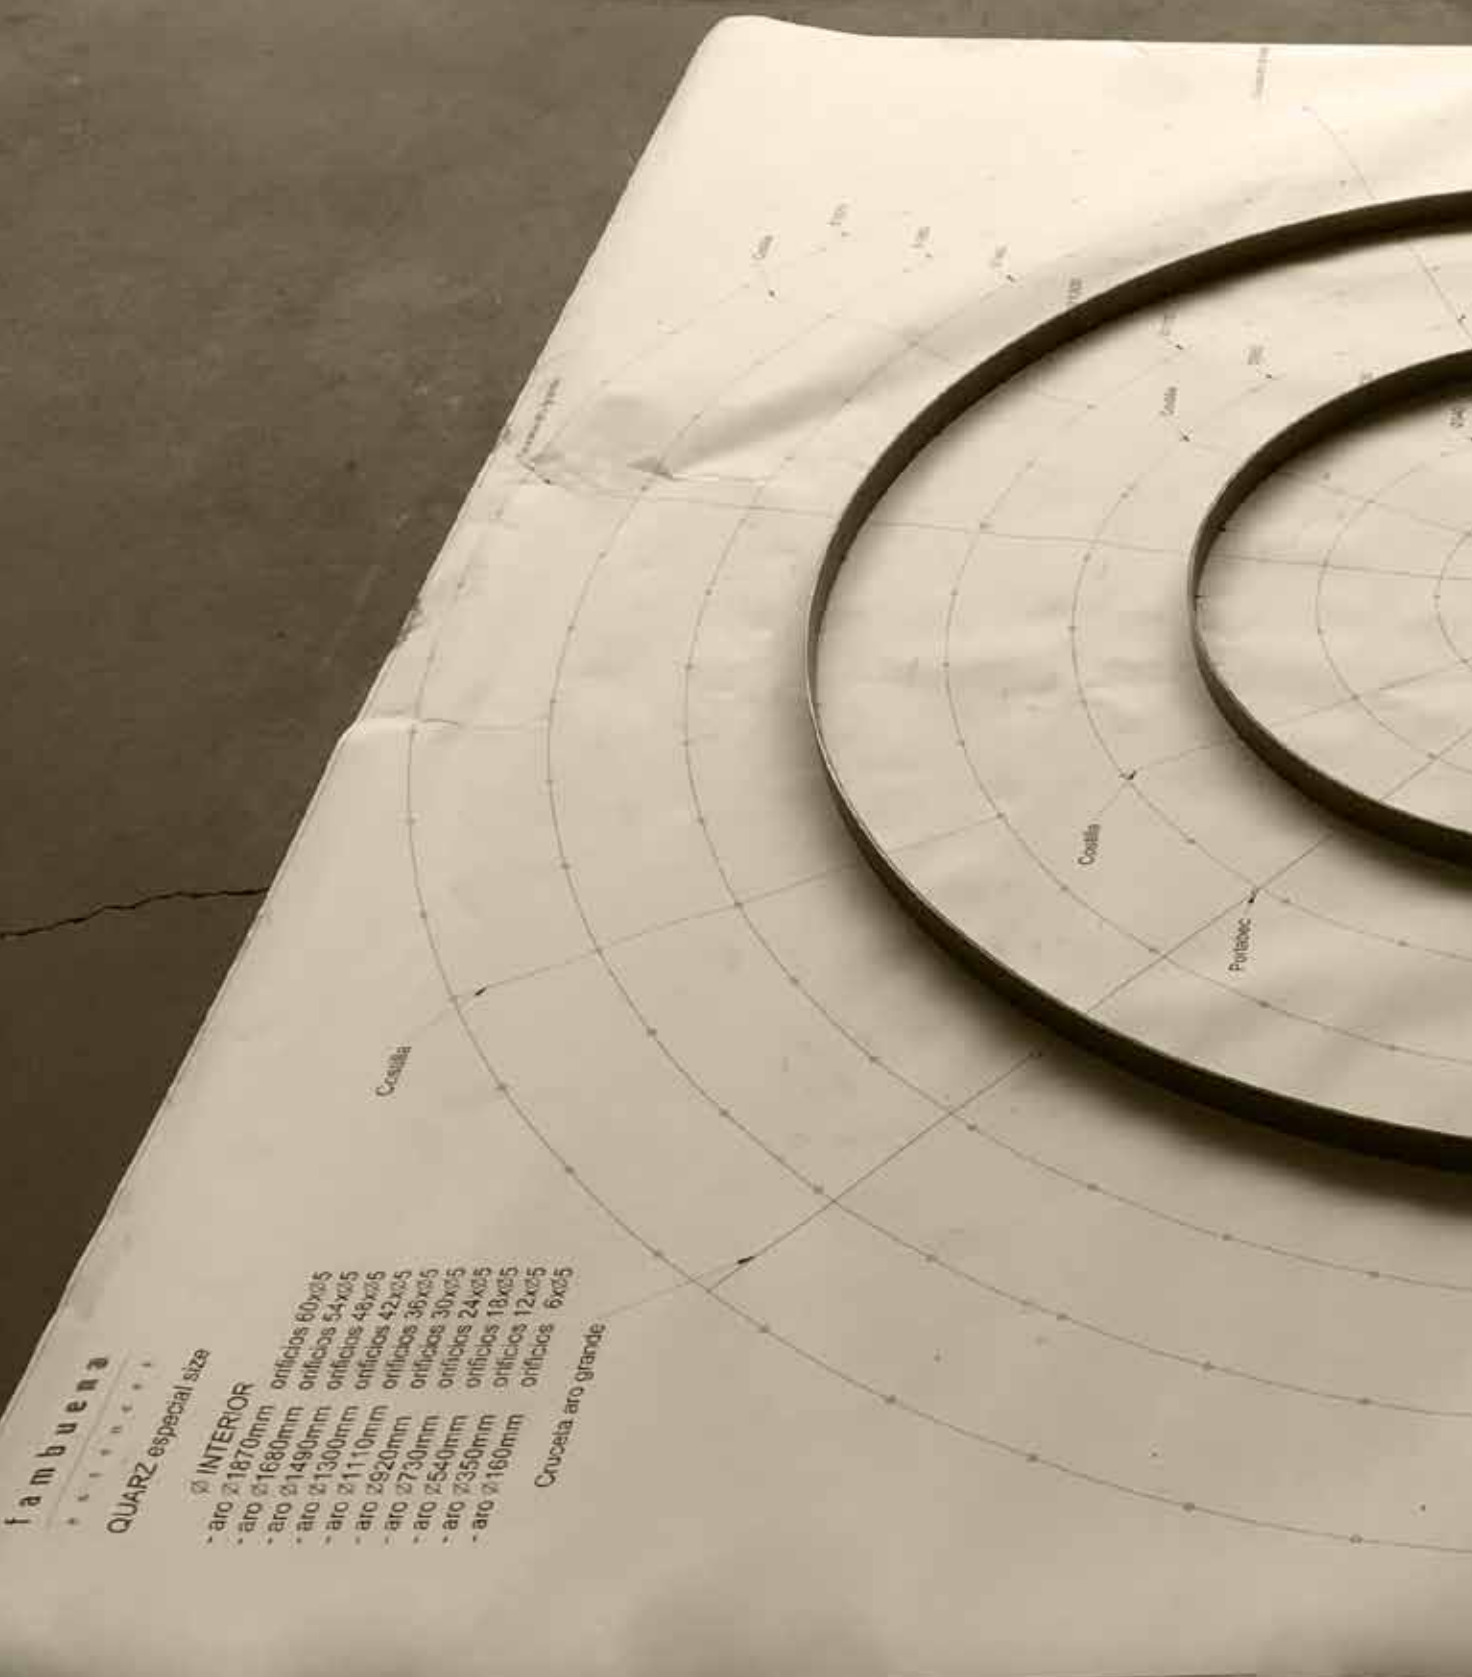

## PACKAGING

empaquetamos todos los productos de manera individual, con cajas personalizadas de cartón de gran gramaje y utilizando materiales biodegradables cumpliendo así nuestro compromiso con el medio ambiente.

We pack all the products individually, with custom boxes of cardboard and biodegradable materials fulfilling our commitment to the environment.

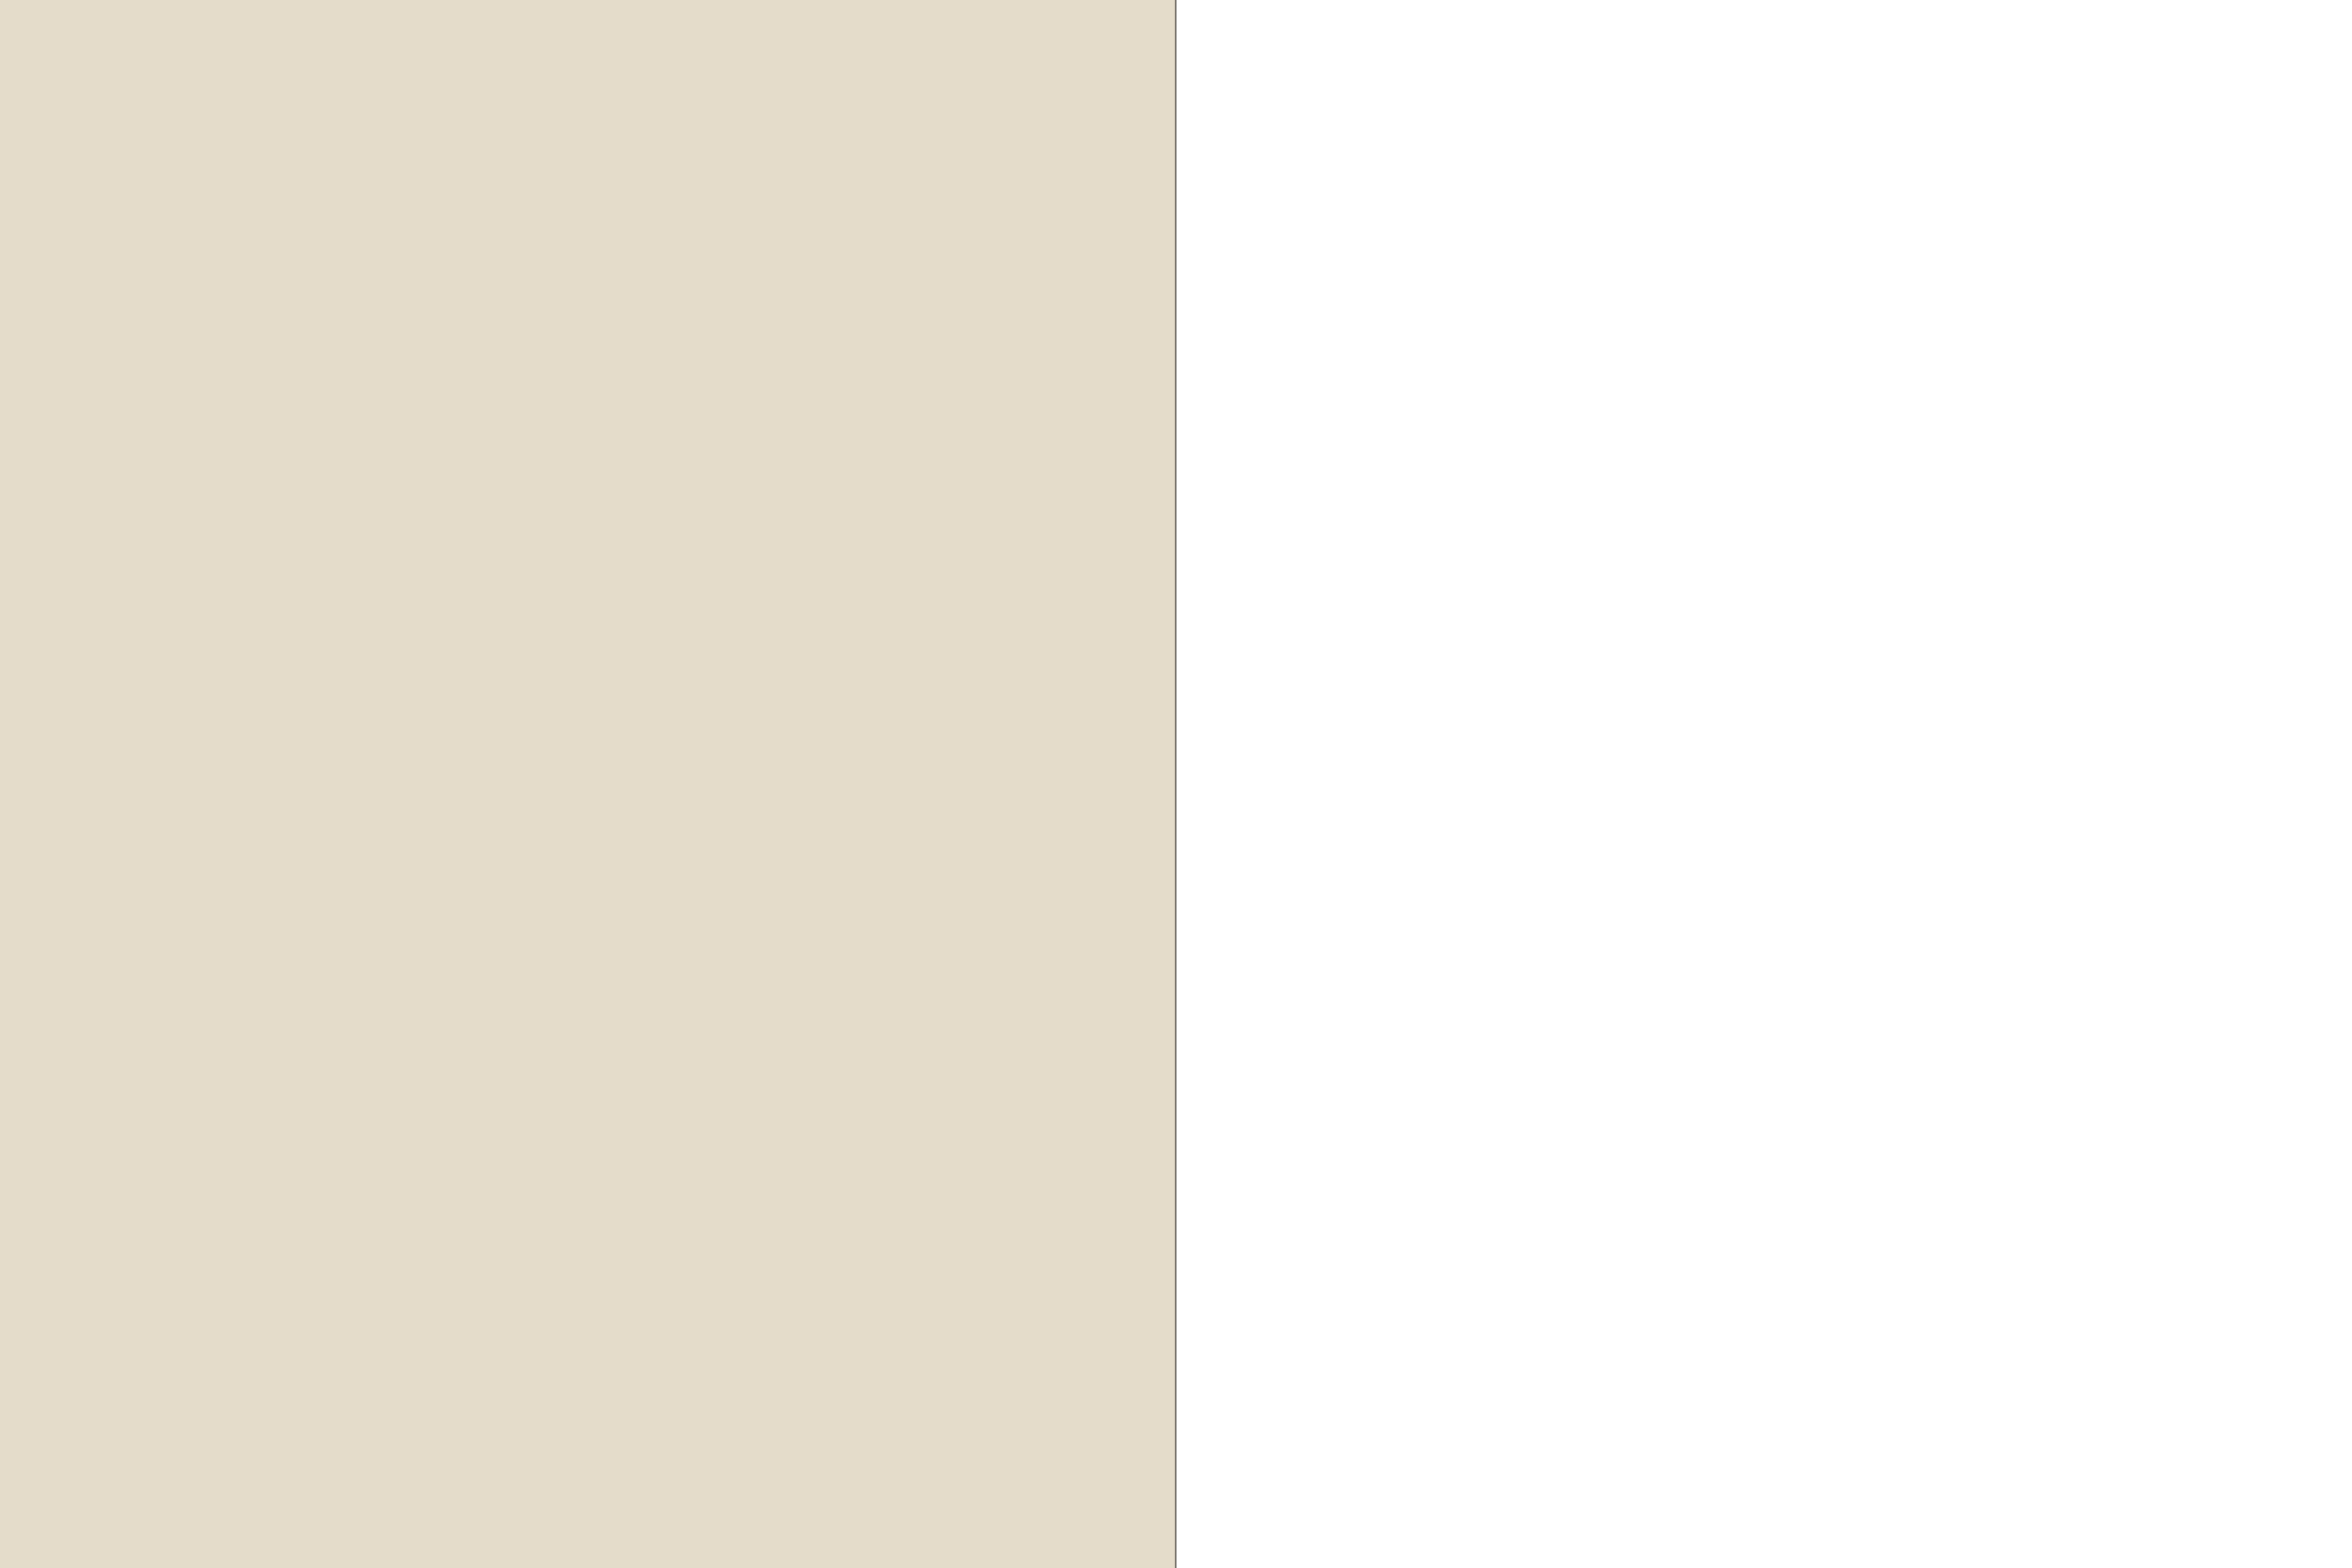

**CUSTOM MADE** de nuestras colecciones adaptándolas en tipología, proporciones, acabados etc. o ejecutando modelos diseñados por nuestros clientes, que no están en producción y que cubren las necesidades del proyecto que están ejecutando y posteriormente puedan presentar en la habitación piloto. Proporcionamos fichas técnicas, dibujos 2D y 3D .

**CUSTOM MADE** oadapts our typology, proportions and finishes, executes models designed by our clients, which are not in production and which cover the needs of the project designed so that they can represent at a the mock-up room.

We provide technical, 2D and 3D files.

# CERTIFICATIONS

Distancia minima al objeto a iluminar: 0,3m.  
Minimum distance from object to be illuminated: 0,30m.  
Distanza minima dall'oggetto da illuminare: 0,30m.  
Mindestabstand zum beleuchteten Objekt: 0,3m./  
Distance minimum avec l'objet à illuminer: 0,30m.

Luminaria idónea para la instalación sobre superficies inflamables.  
Object also suitable for installation on normally flammable surfaces.  
Apparecchio idoneo ad essere installato anche su superfici normalmente infiammabili.  
Auch auf normal entzündlichen Flächen installierbar.  
Luminaire apte pour installation sur des surfaces inflammables.

Luminaria realizada en clase de seguridad I y por tanto provista de toma de tierra.  
Unit realized in safety class I and provided with earth wire.  
Apparecchio realizzato in classe di sicurezza I e pertanto provvisto di collegamento di terra.  
Schutzklasse I, mit Erdanschluss.  
Luminaire réalisé en classe de sécurité I et, donc, pourvue de prise de terre.

Luminaria realizada en clase de seguridad II con refuerzo y doble aislamiento y por tanto sin dispositivo de toma de tierra.  
Unit realized in safety class II with double and reinforced insulation and hence not provided with earth wire.  
Apparecchio realizzato in classe di sicurezza II con rinforzo e doppio isolamento e pertanto non provvisto di collegamento di terra.  
Schutzklasse II mit doppelter und verstärkter Isolierung, ohne Erdanschluss.  
Luminaire réalisée en classe de sécurité II avec renfort et double isolement, et donc sans dispositif de prise de terre.

Certificado de conformidad con las directivas de la comunidad europea.  
It certifies the conformity of the product to the european community.  
Attesta la conformità del prodotto alle disposizioni delle normative della comunità europea.  
Zertifizierte Konformität mit europäischen Normen.  
Certificat de conformité aux directrices de la communauté européenne.

Marca de conformidad U.S.A. y Canada.  
Marchio di conformità U.S.A. e Canada.  
Complies with UL standards for dry locations.  
Conforme à la norme U.S.A. et Canada.
